Juniors

Welcome

Seacliff SLSC always welcomes new members. As a family oriented club, we take great pride and place much effort in the development of our Junior members who we recognise will become our future life savers.

In 2010, we celebrated 40 years of Nippers at Seacliff SLSC in recognition of introducing the Junior program to South Australian beaches.

We invite you to join us at Seacliff beach.

Junior Program

Every summer season (October – March), our Junior program is held on Seacliff beach on Saturdays. With over 200 boys and girls, aged 5 – 13 years, we conduct a range of beach and water activities over 2½ hours that includes beach flags, beach sprints, swimming, wades, board paddling and more.

Children are placed in age groups with an Age Group Leader and helpers. Our Junior Coaching Coordinators supervise activities and provide support.

Tiny Tots is a special introduction program for 5–6 years that uses fun group activities and games to develop the awareness and safety of these youngsters on the beach and in the water.

Come & Try

Join us for a free 'come & try' session at Seacliff beach. Meet the Junior crew and find out more.
