

When and where is Tiny Tots held?

Tiny Tots is held on the same days as Junior training, on the beach at Seacliff. Tiny Tots sessions run at the same time as Junior training.

What is the cost?

Tiny Tots membership is \$100, which includes one non-bronze holder parent. Additional children are \$75 each. Family membership is also available for \$220 per year.

Seacliff is a SunSmart club and requires all its Juniors and Tiny Tots to wear a wide brimmed hat and a long sleeved shirt or rashtop whilst participating in activities. Tiny Tots are provided with brimmed hat as part of their initial membership and other club clothing is available for purchase on the beach at training.

Tiny Tot registration is available on the beach at training sessions - look for the club trailer on the beach. Further details are available from Sandy Jones on 8377 0607.

For more information about Seacliff SLSC see us on the net at www.seacliffslsc.com.au

Tiny Tots Program

Tiny Tots

What is Tiny Tots?

Tiny Tots gives an opportunity for the younger brothers and sisters of our Junior members to participate in some fun activities, whilst their older siblings are involved in surf lifesaving.

What do Tiny Tots do?

First and foremost they have fun!

However, they will also

- ☺ participate in a number of beach and water activities suitable for their age group. All water activities take place in shallow water and activities are supervised by qualified lifesavers.
- ☺ be introduced to aspects of surf lifesaving, including lifesaving equipment such as foam boards, Inflatable Rescue Boats, rescue tubes.
- ☺ learn about the beach environment and ecology.

Are there any restrictions?

- ☺ although a coordinator will organise the activities, each child must be supervised by a parent/guardian (18yrs+) at all times.
- ☺ The supervising parent/guardian must be a member of the Seacliff Surf Lifesaving Club.
- ☺ The Tiny Tot must have a sibling who is a registered Junior member of the Seacliff Surf Lifesaving Club, or another relative who is actively involved in the club.
