Affiliated with Surf Life Saving Australia

87th Annual Report

For the season 2018/19

To be presented at the Annual General Meeting – 28th July 2019

THE OBJECTIVES OF THE CLUB

1. To study and practice the methods of Surf Lifesaving as set down by Surf Life Saving Australia.
2. To minimise the loss of life from drownings by the use of life saving apparatus conforming to S.L.S.A. standards.
3. Promote demonstrations and arrange classes of instruction so as to bring about a widespread and thorough knowledge of the principles on natation and general further the best interests of surf bathing.
4. To appoint patrols to render aid to those in distress.
5. To promote social occasions for the enjoyment of its members and to generate income for the furtherance of life saving activities.

Office Bearers 2018-19

Patron: The Mayor, City of Holdfast Bay

Management Committee

President	Dr Glen Patten (OAM)

President's Report 2018-19

Club & Members Recognition

The Life Saving and Education Panel worked overtime last season and this year, to put forward the club and members for Surf Life Saving, State and National awards and Community recognition - and what a result!

SLSSA Awards of Excellence August 2018

For 2018-19 we won seven gongs as follows: Nipper Parent of the Year, Jacinta Day; Trainer of the Year, Ashleigh Clarke; Assessor of the Year, Karen Wilmot; Coach of the Year, Brian (Bly) Bayliss; Youth Surf Life Saver of the Year, Tom May; Education Program of the Year, Suneden Specialist School; and Club of the Year, Seaclyff SLSC. Jacinta and Bly received their awards on Open Day. Karen Wilmot also received her Gold Membership certificate. This season we have nominated the following: Nipper of the Year, Katie Natt, Jarrod Gray, Abi Salmon &

Natalie Hecker; Nipper Parent of the Year, Tim Salmon & Sarah Warriner; Trainer of the Year, Ash Clarke; Coach of the Year & Volunteer of the Year, Bly Bayliss; Life Saver of the Year, Jacinta Day; Education Program of the Year, Seaclyff Beach for All; & Club of the Year, Seaclyff SLSC.

Clubs SA Awards of Excellence October 2018

Another great evening at the Adelaide Convention Centre where we had six finalists across the awards. Finalists were: Best Entertainment "In the Scene"; Sporting Club of the Year; Volunteer of the Year, Gareth Gray; Employee of the Year, Ally Martin; and Manager of the Year, Suzette Gloster. It was a real surprise and honour for Seaclyff SLSC to be announced as winner, Surf Life Saving Club of the Year.

City of Holdfast Bay Sports and Australia Day Awards

Finalists for the CHB Sports Awards were: Leader of the Year, Tanya Evans and Club of the Year, Seacliff SLSC. Our Club Captain, Bly Bayliss won Leader of the Year. Following on from this terrific recognition, Bly was awarded CHB Citizen of the Year 2019 at the Australia Day celebrations due to his outstanding and many years of commitment to the community.

Community Programs and Partnerships

Instructor (Francesca Kidd) and volunteers and SLSSA. Club member, Kerrie Anderson, a child physiotherapist was invaluable for assisting the less mobile students get to the beach. Initial Funding from Fund-My-Neighbourhood grant, with new 4WD and MobiChair for water access and latest equipment includes patient lift and 2nd MobiChair (\$3,900) from SA Minister for Human Services. Grant from Hallett Cove Lions just received for a wider foam surf board.

➤ Juvenile Diabetes Fun Day - Young Seacliff SLSC member, Kaytie Hosking, liaised with the Juvenile Diabetes Research Fund organisation to set up this partnership. 20

Seacliff SLSC volunteers, mostly U18, helped sick children and their families enjoy a great day at the beach, with many enjoyable activities.

➤ Sea Sure Swim School - In liaison with SLSSA, members of Seacliff SLSC, Jim Ridgeway and Maureen Carman, coordinated a 6 week program with ethnic diverse participants at the SA Aquatic Centre and Seacliff Beach learning swimming and surf skills

➤ Temple Christian College – Ninety year 10-11 students from a local college hiked from Mt Lofty to Seacliff SLSC. They then enjoyed the beach for 2 hours with Seacliff lifesavers as water cover and then had a healthy dinner at the club prepared by the club members.

➤ Community Long Swims - Provided water cover for Atlantis and Marion Swimming Club long swims. Provided 2 IRBs over 2 days as water cover and judge-in-boats for Australian Open Water Swimming Championships at Brighton. Provided IRB for Brighton Jetty classic.

➤ Tiny Tots & Surf Babies - Seacliff SLSC introduced Tiny Tots to SLSSA in 2000 and the program has expanded into most SA clubs with over 30 participants at Seacliff SLSC in 2019. Seacliff SLSC continues to host surf babies with Cherie Wilmot coordinating the program at Seacliff SLSC.

➤ Nature Play SA - Seacliff SLSC was approached by Nature Play SA in partnership with City of Holdfast Bay to hold an event at our club in Summer. They are not-for-profit with a simple vision – to get more children outside playing in nature and bring “Adventures by the Sea” at Seacliff Beach. Undertaken in February, activities included sandcastle cities, kite flying, Kaurna educational activities, marine life games and exploration, and little nippers learning to swim. Seacliff provided water cover for 30 children and provided a BBQ serving bacon & egg rolls and sausages and bread.

Community Partnerships

➤ **Brighton Lions.** With falling membership, partnered with Brighton Lions and manned the *Annual Christmas Cake Sleigh Run*. Coordinated by Jeff

Strachan, over 40 junior lifesavers with age group leaders manned the Santa Sleigh runs selling Christmas cakes over 10 evenings in the Brighton Seacliff area raising funds for Lions. Seacliff SLSC members also ran the annual *Lions Christmas BBQ* at Dover Gardens Square

in December 2018 for over 200 members of the public raising funds again for Lions and the community.

➤ **Swim Paddle Run.** Involved over 200 members of the community and club members in various individual and team events involving either running, swimming, paddling or combinations of all disciplines.

➤ **Park Run**

Rob Klima and Sue Hicks, from Seacliff Surf Life Saving Club, and Eloise Godfrey with the beach equipment.

Ensuring fun in the sun for everyone

SEACLIFF

Michelle Etheridge

FAMILIES are travelling from far and wide to access Seacliff's disability-friendly beach.

Seacliff Surf Life Saving Club's accessible mat helps people with mobility issues get down to the shore, and its water wheelchair is allowing some to play in the surf for the first time.

President Andrew Chandler

says the club plans to offer a second wheelchair, hoist and disability-accessible change rooms to increase the number of people it can help have fun at the beach.

That will form part of a \$230,000 upgrade of its observation tower and equipment storage area.

"When people come down, it's quite amazing," Mr Chandler says. "The number of people that have said this is the first time their child has been on the beach since they were

really young, or at all – it's really exciting."

He hopes to see a day when every surf life saving club offers mats and water wheelchairs so "no matter where you live, the beach is accessible to everyone".

Surf Life Saving SA community manager Sita Bacher says that day is moving closer, as Adelaide's councils and other clubs move to replicate Seacliff's progress.

Semaphore beach has a permanently rolled-out mat and,

from October to March, a beach mat and three inflatable wheelchairs will be available at Henley Beach.

Students from Suneden Special School are among children to have benefited from Seacliff's water wheelchair and mat, including Eloise, 14, who has Down syndrome.

Her mum Mel Godfrey, of Morphett Vale, says Eloise has flat feet and walks with a gait, and the mat helps her negotiate the soft sand.

Ocean and Beach Carnivals at Seacliff SLSC in 2018-19

It has been a long season and besides the World Titles where we won dozens of medals, at Seacliff we ran:

- Youth carnival
- Senior carnival
- Night Beach Series of 4 carnivals
- Night Beach State Titles
- IRB carnival

Many thanks to Tanya Evans for assisting in coordinating these events as well as all her other team manager and secretarial duties and Bly for coordinating with City of Holdfast Bay for grooming the beach and the many volunteers as work parties, catering and officiating. Senior carnival positions held by our members were Darryl Pope – Champion Patrol,

Champion Lifesaver

and R&R referee at states and Aussie R&R referee and I was the state Masters referee, Senior liaison officer beach & ocean and at Aussies was the U15 First Aid Chief Judge and scenario author and R&R judge. Well done to all officials. Congratulations to all Seacliff competitors where we finished 3rd at

senior States, 3rd Masters States and 2nd Junior States and recently medal winners at the SLSSA Pool State Titles, with special mention to young guns Katie Natt and Keenan Gray.

Committee members, development and challenges

Seacliff SLSC had an enormous competition load starting with the World Titles and Sharyn Paris and Amanda Luetolf did great work in organising. This followed with Beach, Ocean and IRB carnivals at Seacliff beach that has stretched our volunteers to the limit.

With our annual turnover of more than \$1M, much of our energy is concerned with our Bistro operations and fortunately Alex Wood has come on board as our Business Liaison Officer (BLO) with extensive management and hospitality experience. Terry Crabb took on the treasurer role but the necessary accounting and book-keeping systems and knowledge were found to be confronting and Terry resigned in April due to his commercial opportunities as a geophysicist. In the interim, John Godwin (pictured) took on the financial tasks and has worked with the auditors and bookkeeper to finalise the Annual Report. John was the BLO and assists Alex in this role and was also the Vice President and was a very worthy winner of the President's trophy. We are now seeking a suitably qualified person to be treasurer. Adding to our fiscal difficulties, the finance manager and the bookkeeper at SLSSA resigned. We have since hired Cory Hill a CPA (CN Hill Accountants) to oversee our financial development and general bookkeeping. We are also putting systems in place to minimise the load on the next treasurer.

Congratulations to evergreen captian, Bly Bayliss (opposite), who won SLSSA Coach of the Year and CHB Community Leader and Citizen of the Year. Besides all his coaching roles, Bly also works tirelessly with Vicki Gregory (Captain's Trophy) running the down stairs "Sandy Feet Bar" and Vic has also done an outstanding job with the large Seacliff Raffle, the People's Choice Raffle and social events in the role of membership officer. Bly is our "Volunteer of the Year" nominee for SLSSA Awards of Excellence.

Amanda Luetolf has taken on the Competition Coordinator role and has worked tirelessly not only to send out invoices for all our competitions, but has organised the thankless task of rounding up officials so we can compete.

Well done to Tim Salmon who in his one season as Junior Chairman steered his charges to 2nd place at States.

Tom May, our 2018 Youth Surf Life Saver of the Year, has done a good job to keep our beach patrols running and we have purchased a lot of gear to acquit state and federal grants and keep the Beach Mat rolling out (and up).

Jacinta Day has had an amazing season coordinating our Youth and competing in World and State Masters and being a key driver in our resurgence in Pool Competition and

is our SLSSA nominee for Surf Life Saver of the Year. Ash Clarke has had another enormous season as Chief Instructor with dozens of new award holders, updating his own qualifications, and being a driving force in our medal winning IRB state competition team and is our nominee as Trainer of the Year. Finally, thanks to our Communications Officer, Lily Drummond who with a large university load, gets out our Newsletter each week in summer.

We look forward to a great 2019-2000 season, hopefully not as hectic, but will see in our 90th year celebrations.

Recognition and Competition Award Winners for 2018/19 are:

Best All Round Club Person	Jacinta Day
Most Efficient Patrol Person	Derek Bawden
President's Trophy	John Godwin
Captain's Trophy	Vicki Gregory
Coach of the Year	Bly Bayliss
Best Open Performance at Aussies	U17 Male Beach Relay: Sam Blyzno, Tim Blyzno, Nat Drummond, Dylan Taylor
Best Masters Performance at Aussies	Andrew Chapman
Best Youth Performance at Aussies	Joe McKinnon
Best Performance at World Titles (ILS)	Amanda Elson
Best Performed Boat Crew at State Titles	The Golden Girls: Heather Burns, Meredith Wood, Suzette Gloster, Andrea Brebner, Ben Bedford (sweep)
The Oarsman Award	Heather Burns
Best Masters Performance at State Titles	Matt Collopy
Best Open Performance at State Titles	Tom May
Best Competitor(s) at Surf Rescue Championships	Andrew Chapman
Best U19 at State Titles	Patrick Fordham
Best U17 at State Titles	Cloe Griffiths and Nat Drummond
Best U14/U15 at State Titles	Joe McKinnon and Keenan Gray

Vice President's Report

Sponsorship and Grants Subcommittee Report 2018-19

Sponsors

At Seacliff SLSC we are fortunate to have a strong coterie of Flagship or Platinum Sponsors and Gold Sponsors that help fund and underpin our lifesaving operations. This season we welcomed Bec and John Stronnar of TekNet, an IT company, who recently joined the club as a family. TekNet were the major naming sponsor for our Night Beach Series and State Titles, so successfully run in front of our club on five Friday nights. We continue to partner with Lions at both Brighton as major sponsors and Hallett Cove with the Santa Sleigh and Community Christmas BBQ and \$1000 for a new foam rescue paddle board for the Suneden Project and patrols.

Silver sponsors DCM headed by Daniel Perkins, supported our fridges and our beer line temperte cooler throughout the season and we have brought them on board to service all of our cooling plant.

Our new Community Supporters are Donna Woodhouse of Travel Associates, Glenelg and we will use Donna for all our travel needs. Bunnings provided us with tents, tables and chairs from the World (ILS) Titles.

Grants

We have just acquitted a \$5K grant from the Active Club program (#45) for club equipment that supplied us with 2 skis. We are also finalising our "Fund Our Neighborhood" grant (\$35K) set up by Gareth that supplied a new 4WD beach Commando, IRB and motor, beach shade, and have procured the new patient hoist and we will soon receive the patrol trailer that will be stored in the new patrol base. We have also received \$20K from state and federal grants for surf lifesaving equipment that Tom May and the Patrol Subcommittee are prioritizing and purchasing equipment. We have also received a grant for another MobiChair from SA Human Services.

New Forward Base / Patrol Tower

With a \$150K federal election promise from Nicolle Flint at the previous election negotiated by Andrew Chandler, and \$70K donation from City of Holdfast Bay thanks to Mayor, Amanda Wilson, the Patrol Tower

project was created. Partnered with Royal Wolf for containers and Wagners for decking and other contractors, the work finally commenced in early 2019 and we hope completion by July when will have a formal opening. The tower will be clad white upstairs and rust-coloured Corten steel downstairs with lifesaving motifs and indigenous designs created in consultation with the local Kurna artist, Daphne Ricketts. We thank Seaview Plumbing, Gary Kidd Electrical and DCM for air-conditioning work on the tower.

Club Captain's Report

It's been an honour and privilege to once again be Club Captain for this great club, Seacliff. I have been Club Captain on and off over the years, and every time I do the job, the responsibilities change somewhat. I love being involved in every aspect of the club and as the Captain this role allows me to be part of all club related activities.

This season has generally been a highly successful and productive one. Both Senior and Junior divisions of the club, have worked well together and have achieved so much. It's always great to come back to the club after Junior training each Saturday and see such a mix of members socialising together. Tim as Junior Chairperson has worked tirelessly alongside his very supportive committee to ensure the smooth running of all things junior related on Saturdays.

Downstairs, in the member's bar, has seen a vibrant and relaxed atmosphere with a steady turnover of patronage throughout Saturday afternoons and special events. Thanks to those who have assisted each week in maintaining this highly valued part of our surf club. A very special thankyou to Vic, who has worked tirelessly every Saturday throughout the season serving behind the bar. Each week she and I would spend a good part of Thursday night assessing the needs of our patrons and purchasing and stocking the bar so it's ready for the weekend.

Our secretary Tanya has done an outstanding job again this season attending to all things club related. Her role as secretary is highly complex and time consuming, but she always does each task meticulously and with great efficiency. Her communication throughout all areas has ensured all members are always up to speed with information they need to know relating to their particular areas. Each year this role becomes more complex with a seemingly never-ending paper trail. Well done Tanya on a fantastic effort.

Lily, as communications officer has maintained open communication via the fortnightly newsletters and updates of events and information. She has spent many hours ensuring that members are well informed and know exactly what's going on. Thankyou Lily for your efforts in this area. The 'Bits and Pieces' is always informative and reflective of what's been happening at the club.

In relation to our instructional area, Ash and his team have committed an enormous amount of time and energy into training and assessing a huge number of new award recipients. His role in instruction is big and he has helped so many members gain new awards. Thankyou Ash for all your hard work in this valued area.

Our competition areas are improving but we still have a way to go before we reach the top within the State. Saying that, however, it's great to see the Seniors gain third in State Titles and the Juniors a much improved second position. Masters finished third in the state. A huge thanks to all coaches in their respective areas, for the time and commitment they always put in, to ensure athletes and competitors compete and achieve their

full potential. Amanda Luetolf has done an amazing job of competition coordinator, spending countless hours entering and organising teams for carnivals, States, Worlds and Nationals.

Thanks to Sharyn who was team manager for Worlds together with Tanya for being Aussies and State team manager.

This year, there have been many new pieces of gear purchased for the club, in a variety of areas this season; two new skis, four patrol mals, 10 new soft nipper boards, 4 fibre glass nipper boards , an IRB motor, patrol trailer being built, not to mention the new patrol tower which is almost complete. The funds for these are a mix of tireless fundraising efforts, as well as a series of grants we have won. Again, a huge thanks to those who have helped in these areas both fundraising and grant application writing.

A new initiative for our club this year was to work closely with the Holdfast Bay council together with Nature Play, an association that encourages young families to become more active in outside play with their young kids. Amanda and myself attended several meetings, to establish how we at Seacliff, could support Nature Play and their open day. It was a fun day at Seacliff with many members helping out by providing water cover and the use of boards to support Nature Play's programme. Thankyou to those who helped out on the day and especially to Amanda, who was closely connected to the event.

The team who travelled to the Gold Coast for this year's Aussies was very successful with medals being won in many areas, mostly Masters. The fundraising that was attached to this was a big help in covering many of the hidden costs of competing at Aussies such as fees, towing craft and financing the long haul up to Queensland. As a driver of the vehicle that towed the gear to the Goldy, the road was certainly long but was a great experience to be able to assist my fellow clubbies. Thankyou Brendo and Gareth, for your part in this process. Raffles and special events as well, were some of the ways these funds were raised. Thanks again to Vic, Tanya and the social and fundraising team for their support in this area.

Finally, I would like to say what a great feel the club has at the moment. This season has been complex, with a continuing turnover of upstairs staff, many new members who have joined and lots of opportunities created by all committees for everyone to be involved in any way they can. It's great to come down to the club every day as I do, and see all those faces who, as a team, make up SEACLIFF SLSC. I'm very proud to be your Captain.

Thankyou to everyone who has supported me, believed in me and made my job a little easier. I love this club.

BLY BAYLISS

Secretary's Report

Memberships

Our membership continued to grow this season with an increase of 17 members, bringing our total number of members to 740.

The Bistro staff have once again been busy promoting Associate Memberships which saw that category grow by 17 members. Other growth categories were Juniors (+4) and Honorary (+11).

	Females				Males			
	2015/16	2016/17	2017/18	2018/19	2015/16	2016/17	2017/18	2018/19

Seacliff SLSC
Season Membership

We had 232 members who did not renew this season so an email was sent to those members asking them to provide feedback. Once again, the number of responses was poor.

- 18 members moved interstate or overseas
- 7 didn't have time to commit
- 16 had other sport interests
- 5 didn't enjoy it
- 4 didn't renew as a family and therefore the general member wasn't applicable
- 2 were recovering from injuries and
- 15 transferred to another Club (20 transferred to our Club)

	Didn't renew	New
Juniors (5-12 years)	77	85
Cadet (13-14 years)	14	6
Active (15-18 yrs)	18	1
Active (18yrs & over)	25	14
General	64	56
Associate	30	34
Honorary	4	10
Total	232	206

The \$50.00 Government Sports Vouchers were used again with 92 being redeemed (+26 on last season). The vouchers will be increased to \$100 this year and we will again accept them at our Club.

Club Presentation Night

Once again, our Club Presentation night surpassed all expectations with another huge turnout and great attendance from our VIPs and sponsors. The theme for this year was formal with a touch of god/goddess. Thanks to all involved in organising the night and decorating the Club.

Personal highlights and thanks

As usual my favourite times were spent on the beach each Saturday afternoon, meeting and helping new members, chatting to existing members and watching everyone join in with training and having fun with their mates. We have so many incredible, passionate members and this is what makes our Club so special. This will always be my most favourite part of being at Seacliff!!

I was lucky enough to be accepted to participate in the 2018 National Leaders' Masterclass which was held at the Uni of SA. I got to network with like-minded and passionate members from across the country to share opinions, workshop current issues, learn new skills and gain an increased exposure to Surf Life Saving at a National level.

Thanks again to all the members who make this such a special community to be a part of. I still don't take it for granted!

Thanks also to:

- everyone on the Management Committee for their help and support again this year and for the endless hours they contribute to making this such a great Club
- the bar and bistro staff who make our environment enjoyable and welcoming
- Vicki and Bly for opening up the bar every Saturday afternoon, and making that space feel welcoming
- Kate Keeffe and her team of helpers for looking after the merchandise. We've had some really fantastic new designs this season
- Rob Klima for looking after downstairs

As always, a special thank you to Jeremy for his support.

Looking forward to a great season in 2019/20. Go Seacliff!!!

Tanya Evans
Secretary

Member's Representative Report 2018/2019

Another year has come to an end and it's always hard to believe how time flies by so fast. This club has, and always will play a huge part of my life, as it has for over 40 years now. It's always great to be part of our club's Management Committee and represent you the members, in a variety of ways.

As Member's Rep my main responsibility has continued to be to organise and manage the volunteers for our upstairs bar and bistro. This has been a great year for all those wonderful volunteers who work either Thursday or Friday evenings, often after finishing a full day's work themselves. Whether it's pouring drinks, running out meals, washing dishes or wiping down tables, every person does an amazing task, doing their bit to help out. The club must recognise and value these members who provide their hours voluntarily, which means we as a club, save thousands of dollars each year on paid staff wages. Some volunteers have been providing this service since the bistro opened upstairs after the new top storey was complete. Each year, we lose some volunteers, but in saying that we also gain newbies as well. It's been great to see several new juniors join our team as well this season. Those newbies have taken on this volunteer role with passion and commitment. A huge thanks to all those who help keep the bar and bistro running so smoothly, especially those few, who have done this for many years now.

Australia Day saw the downstairs bar open, some raffles being organised and a great vibe for those who could be there. Many tents and surrounding beach areas were filled with members who made a picnic day on the beach a fun start to the new year.

Our major fundraiser this year was the Seacliff Summer Lottery, which raised \$20,000 for our club. Our small but dedicated team spent endless hours selling tickets in a variety of locations to ensure all 300 tickets were sold. It's damn hard work raising money and those of you who have worked in this area for our club, know this and value the efforts people put in. A very big thanks to the team for your efforts and a big thankyou to those members and friends, who bought a ticket. \$100 is a big investment for most people and we appreciate that, so once again thank you for supporting this lottery. It was money the club needed and was allocated into the general funds to ensure club equipment was bought in the areas of need.

Saturday afternoon drinks downstairs in the member's bar, have contributed to thousands of dollars being raised over the season. Each week the bar had a great casual feel with members coming straight off the sand to grab a beer and relax. Stocking supplies, shopping, cleaning and working behind the bar are all jobs that just don't happen, time is taken and people spend hours each week ensuring the bar is stocked and ready for thirsty members after the surf race. During these sessions, raffles were also organised and tickets sold. Again, another great revenue raiser for the club. This money helped go towards the transport of club and private gear to the Aussies up in Queensland. Thank you to everyone who has helped out in the downstairs bar area.

The recent Club Presentation night had a beautiful theme of "Gods and Goddesses" all in white. The club was transformed into a wonderful space, decorated with greenery, lights, plants and delightful ornaments. Recognising member's efforts throughout the night with trophies and awards saw dozens of happy people celebrating their achievements amongst fellow club members. After the formalities the music was pumped up, dancing shoes on and everyone partied hard. Thank you to those who assisted in setting up, working on the night, hosting, presenting and cleaning up. I'm sure there were a few sore heads the next morning.

As I type this report, the club is in the middle of another big fundraiser. People's Choice Community Raffle tickets have the potential to raise \$8000 for our club. If all 400 books are sold, that's the amount we get back from people's choice. Again, a huge thanks to those who have sold tickets to friends, work associates and other club visitors. Well done to the boaties who have taken on the selling of 200 of these 400 books. Please remember our club relies heavily on all fundraising events to help boost our income. It makes our jobs easier if everyone can pitch in and do as much as they can to sell their share.

"Seacliff Sunday Sesh" will start upstairs in the bistro area in August as the first Sunday of each month will be dedicated to club members and friends who value great quality music, wine and food. We are expecting this to be very popular and have engaged the services of some top local talent to entertain us for the afternoon and into the evening. You can expect to see some fabulous acoustic and easy listening artists who will play from around 3pm each "Sunday Sesh." Get on board, ask your friends and support this series of club events.

At the moment, we are in the midst of planning a "Spring Wine Tour" for clubbies, which will take place on September 7. A few of the Social and Fundraising committee have done some extremely valuable "research" to scope out the best places to visit in the McLaren Vale wine region. Tickets for this will be on sale soon as we plan to take about 50 people in buses around the wineries enjoying top wine, gourmet food and hopefully some spring sunshine. Keep your eye out for full details soon.

Other events that the committee has helped out in throughout the season have been the Friday beach series carnivals, R and R States and the Beach States.

In concluding, I would like to thank all those members who have offered to help out in so many different ways. It's all valued and appreciated and our club would not be as it is without everyone doing what they can. Special thanks to the Social and Fundraising team who help behind the scenes to make many of these events a success...Deb, Shannon, Suzanne, Sharyn, Kristie, Becky, Kate and Lori. Thank you all for your fabulous efforts.

Thankyou everyone and yes, Pammo...we still miss you greatly.

Vicki Gregory

Seacliff SLSC Junior Report 2018/19

What an excellent and exciting season Seacliff Juniors had. With great participation levels particularly from our younger age groups they really built and improved on their efforts from the previous season. It was so great to see so many juniors enthusiastically going about their trainings and carnivals with smiles on their faces. It was also great to see so many new and old faces pitching in to make the season run smoothly. Seeing everyone enjoying their time at the sandy feet bar back at the club on a Saturday afternoon really adds to the community feel of the club.

Season Review

Winter break- R&R and fitness sessions

During the winter break of the off season we were still hard at it. Saturday afternoons we had some winter fitness training sessions to keep our fitness levels up. We had a good turn out to these sessions that consisted of some core strength work, circuit sessions with a touch of surf disciplines involved and of course plenty of running the goat track and zig zag.

In July we started R&R training to encourage new juniors to be involved in this event and give the existing competitors a chance to get a jump on the competition and boy did it really pay off.

Under 8s at carnivals

For the second year running Under 8s have competed at carnivals and with our new group coming through it was great to see so many of them giving it a go. What was more impressive were the efforts and results they were achieving. By the time State Titles rolled around this was a really competitive group and I'm sure it made team selections a difficult task for the amazing AGLs of this group. Well done to Ash Clarke, Gibraun Brijmohan, Matt Salier, Paul Bastiaans and Nick Smith for all their effort and managing such a big group.

Moana Training Weekend

At the start of the season we recognised that most of our carnivals would be on beaches that produce swell, so we got together with Moana SLSC for a weekend of training together and we appreciate this collaboration. This first saw us join them for Friday night board training in really fun sized waves in which our juniors gained some much needed experience in these conditions. I think our watercover personnel had almost as much fun in the waves as the kids. On Saturday our juniors combined with the Moana juniors for our weekly training session. The waves were still there and again our

juniors and AGLs gained valuable experience in these conditions. It was an insight into both our clubs as we also gained valuable experience in how we both go about our trainings and development and most importantly gained more friends and experience from it. I would like to say a huge thanks to Rob Curullo and Joe Garner and the Moana SLSC for allowing us to join them and have a great weekend.

Junior Carnival on the World's Stage, at the opening ceremony and a training with the Australian team.

With the World Lifesaving Titles being held in Adelaide at Glenelg beach, our juniors were in for some awesome experiences. The Opening ceremony of the WLC saw an awesome experience for our junior club captains being Mia Perkins, Natalie Hecker and Katie Natt able to be Flag bearers for competing countries. After walking with a competing country towards the main hub of the opening ceremony they were lost in a sea of worlds competitors of singing and dancing and chanting and being lifted onto the shoulders of competitors. All three captains had a great time.

Our first junior carnival of the season was here and on the World's Stage. What a great carnival and venue it was with the grandstands surrounding the Sprint and Flags areas the atmosphere was outstanding. All our juniors really enjoyed this carnival with the venue set up like it was. It was great to see so many competitors from other countries watching and interacting with our juniors. Everyone really enjoyed it.

Our last season's Branch Finale Competitors won a training session with the Australian Surf Lifesaving Team and it was a great experience for these juniors to be involved with. They had the opportunity to select an area that they wanted to gain valuable experience in and go with some of the members of the Aussie team and ask questions and listen to how these competitors go about their training and competition. Some even got put through their paces and gained some valuable tips and experience from the Aussie team members. Just seeing the smiles and great time our juniors had with their heroes was well worth it.

SPR

In what was a beautiful and pristine day, we had an awesome amount of juniors line up as individual or teams to tackle this event. There were some great achievements from our juniors who all competed well and enjoyed it at the same time. We really hope to see good numbers from our juniors continue to support this event in the future.

Youth Carnivals

This season saw our U12 and U13 age groups join the Youth groups to compete in these youth only carnivals this season both held at Seacliff in windy and trying conditions. All our U12/13 juniors enjoyed this format giving them a look into what's ahead when they move on to youth and seniors in their future surf competitions.

Pt Elliot training and carnival

Our juniors travelled down to Pt Elliot on the Saturday to join their juniors to again gain more experience in waves as we did at Moana previously in the season. There was a decent sized shore dump (as usual) and good sized swell for our juniors to gain some more experience and skill in these conditions. Most of our juniors trained and competed exceptionally well on this weekend and in these difficult conditions, something they are not used to. Well done to all our juniors for their efforts. I would like to hugely thank Derek Bawden and Sarah Warriner who spent all Saturday and Sunday doing water cover in an IRB in rough conditions, even they had trouble staying in the boat sometimes not mentioning any names Sarah!!

R&R State Titles

This season saw our junior R&R teams compete on the same day as the seniors and what a great day it was for Seacliff. Going all the way back to July our juniors began training for this event, some just to give it a try and some to compete for a chance at a medal, and boy did it pay off. We had six teams competing in two person and one team in five person R&R and they came away with four medals. One of our U11 2person teams finished fourth only on a count back by the smallest of margins. What great results from our R&R teams to start of our State Titles campaign.

U11 2 Person Gold- Arabella and Winsome Vaughan

Silver- Rosie Davies and Lily Jessup

4th on countback- Sophie Scrivener and Cara Saville

U13 2 person Silver- Abi Salman and Natalie Hecker

U13 5 person Gold- Mia Perkins, Olivia Thompson, Abi Salman, Natalie Hecker, Naimh Keogh and Reserve Tamara James.

We would like to extend a huge thanks to the coaches for all their time and effort in coaching this team throughout the season - Hayley Hosking, Darryl Pope, Glen Patten & Robyn Hecker

State Titles

Wow what a fantastic State Titles our juniors had this season.

Day 1

This season day 1 of States was held at Somerton in what was a very calm and sunny day. Always a long and eventful day but everyone did their best in the day's competition. Most of the events on day 1 are run to get down to the finalists and it was a great day for our juniors with lots of them getting through to the final numbers needed to have a chance at a medal.

Two of the day's events went down to medals, being the distance run for all age groups and Board Rescue for U12 & U13's and Brace Relay for U11's. These events combined saw our juniors bring home 9 medals and many more excellent achievements in finishing in the top six to gain valuable points for the overall club result.

For the past couple of seasons the junior committee have identified Board Rescue as an event we need to improve on and a chance for us to possibly score extra points from, this is an event that has been hard for us to focus on and train for regularly and we will need to improve on this further. We only had one team make it through to the final and that was the Under 13 team being Katie Natt and Mia Perkins who finished ninth against pretty much an all boys final. Well done girls

Days 2 and 3

States days 2 & 3 were held at Pt Noarlunga in reasonable conditions however we were expecting a big band of bad weather and strong winds to hit us Sunday afternoon. This saw us adding extra events on Saturday and made for a long day so we could hopefully have all events finished before Sunday's storm hit.

Our Juniors were exceptional on Saturday considering the extra events, they all put in 100% and did it with a smile and had fun at the same time. Saturday's events were all individual events. This saw just how much the training and dedication our kids have pay off with another day of fantastic results. At one point in the day the overall club results were read out over the loud speaker with Seacliff being in second place by six points behind Grange, this had everyone really excited and amazed at just how well we were going and the efforts and commitment of the juniors to do their best had risen with the great result so far. I think it really spurred them on to continue to try as hard as they could.

By the end of day 2 our juniors had another 20 medals to take home and again another massive effort by all our juniors to finish inside the top six to gain valuable points for the club. Sunday's events where all team events and another exciting day ahead for the Seacliff juniors.

This year we saw the inclusion of both a Boys and Girls All Age Beach Relay and for the first time an All Age Taplin Relay. With what we believe were strong teams for both the boys and girls for the beach relay the whole club got behind our teams with great spirit and encouragement. Our girls got off to a great start but with the pressure and fast pace of this event unfortunately were overcome with the dreaded batten drop a couple of times and it was game over pretty quickly. Our boys were next to go and with nervousness and anxiousness they pulled through their heat with a batten drop to make the final 8. The boys ran brilliantly in the final and came home second in an exciting and very close great event. Huge thanks to Dan Perkins and Patrick Tohu who spent their time with these two teams to give them extra training together for this event.

With the inclusion of the junior Taplin relay this year all clubs were looking forward to this event. Our Seacliff team did an excellent job with a ninth placed finish. A pretty good effort from our team and something to build on in the future.

I would like to thank Darci Symonds from our U12's who competed in a composite team for Goolwa to make up enough numbers for them to be involved. Well done Darci!

With the team events day done and again some awesome results all round our juniors walked away with another haul of medals, 11 lots of team medals for the day was an excellent result. With an overall big medal and excellent result effort from our younger age groups the club is in for good results for years to come. This brought on an anxious wait to find out our overall club result???

With a massive effort throughout the year from our coaches and Age Group Leaders and more importantly our Seacliff juniors, competing or not competing, with all their hard work training and competing to the best of their ability I am proud to say that Seacliff Surf Lifesaving Club's Juniors finished SECOND in the 2018/19 State Titles.

We couldn't be more proud of all our juniors for this exciting and awesome result only 46 points behind top spot. I must say I am most proud of the way our juniors competed with great spirit and encouragement between each other and their age groups. Most importantly the sportsmanship showed by our juniors was second to none not only at states but throughout the season. I was really proud to watch all the kids encourage each other and across each other's age groups.

Thanks to our Junior coach Bly Bayliss who challenged our juniors each week at training and encouraged them to build their fitness and skills and taught them a few tricks of the trade along the way. We also need to thank AC and the running coaches and our swim squad coaches Ryan, Jack and Deb Lasscock, Anthony Doyle for board training and again Hayley Hosking, Daryl Pope, Glen Patten and Robyn Hecker for R&R

Age Group Leaders

Without the support of our AGL's on the beach every week giving up their time to train and encourage our kids to give everything a go and do their best we would be lost. It's not an easy task trying to keep all those kids together on the beach, get them to listen, trying to stop them from running off before you have finished talking to them and trying to keep them interested and focused. But you do your best and the information and knowledge you are passing on to them is a valuable life lesson and they will one day realise just how much fun it was spending

their Saturday afternoons with you. Thank you for representing our club with such professionalism at carnivals and encouraging our juniors to do their best and achieve the results they desire. I hope you had just as much fun as they did.

Officials

In Season 2018/19 Seacliff SLSC were required by SLSSA to supply 6 volunteer officials at each junior carnival. Without these wonderful people volunteering and giving up their time, we as a club cannot compete, so thank you for your support this season, it is greatly appreciated.

Georgina Symonds
Paul Davies
Carol Alford
Katelyn Adams
Sarah Morris

Donna Woodhouse
Jacinta Day
Nita Natt
Nicola Clarke
Ciara Keogh

Narelle Salman
Robyn Hecker
Janelle Scrivener
Paul Jessup

Watercover

To our weekly water cover teams, well done and thanks for keeping our nippers safe each week in the water. Most days are pretty nice but some can be cold and uncomfortable but you turn up for the nippers with a smile. Thanks for helping and encouraging our nippers with their swims and board. Thanks to Derek Bawden, Mark Warriner and Sarah Warriner for jumping in the IRB when it was desperately needed and big thanks to our water safety supervisors Jeff Strachan, John Allen and Zac Cowan for each week organising everyone in the right areas and keeping everyone safe.

It was not easy this season to meet our requirement for Water cover obligations at junior carnivals, we were lucky to have the support of the few and regular people who stepped up and filled these spots for us so our juniors could compete. Thanks Henry Vaughan, Carol Alford, Tony Scrivener, Keenan Gray, Zac Cowan, Kelly Connor, Mark Connor, Sarah Perkins, Becky Stronnar, Suzie Cowan, Heather Burns, Margot Tisher and Belinda Compton.

Photographers

Thanks to the people who took photo's at carnivals, it's great to have these lasting images of our juniors to reflect on in the future. Not only do they spend all day taking photos, they spend hours at home posting them on our media avenues for everyone to see.

Thankyou Narelle Salman, Amber Strachan, Riley Strachan and Amanda Luetolf.

Merchandise

Thanks to Kate Keefe, Ali Casement and your band of helpers for manning the merch room and making everyone in the club look good and feel part of the team. It's great to see so many people supporting the club wearing the awesome gear you supply for us.

Club Captains

This season we had three amazing and wonderful club captains in Mia Perkins, Katie Natt and Natalie Perkins. It was great to see these three girls really step up and take on this role with pride this season. All three girls had their own strong areas of knowledge, skill and experience of surf lifesaving and competition to pass on to their fellow club members. It was great to have you help our Age Group Leaders and Coaches with whatever task they needed help with. You showed great leadership and encouragement to the other juniors and set a great example of what is expected from our club and members. You have been great role models this season and we thank you for all your efforts helping our club at trainings and carnivals and especially back at the club.

New Gear

Before the season started we took ownership of a brand new set of swim cans. We really wanted to try and set junior trainings up in the same way as junior carnivals in a way to train as we would compete. This new string set of swim cans and board cans really gives the feel and experience for the juniors of a carnival set up. We can now train and practice Board Rescue properly without slipping off the cans! By the time next season comes around we will also have 10 new Foam JM boards for our juniors to paddle, something that is always popular for them and will see us be very well equipped. All this new gear wouldn't be possible without the amazing efforts of our social and fundraising team and the help from our great club sponsors and committees seeking grants for new gear.

Perpetual Trophy Winners Season 2018/19

Preston Watch Encouragement Award	Jerome Renshaw- U11
Craig Jones Most Improved Swimmer	Danielle Bishop- U11
Nichollas Mitchell Best on Beach	Laura Bastiaans- U8
Alan Johns Senior Best in Water	Rosie Davies- U11
Terry Keefe Quiet Achiever Award	Jake Rooney- U11
Youngest Person to compete in the club mile swim	Finn Keogh- U10
R&R Trophy	U13 5 person team- Mia Perkins, Olivia Thompson, Abi Salman, Natalie Hecker, Niamh Keogh
Marchpast Trophy	2018/19 A team
Best Performance at State Titles	Katie Natt- U13
Coaches Trophy	Rosie Davies- U11
Best Club Person	Niamh Keogh- U13
Nipper of the Year	Jarrold Gray & Katie Natt

Juvenile Diabetes Day

Juvenile Diabetes fun day in early December was another great day to be involved in for our Juniors along with youth and many other club people helping. The families of some sick kids enjoyed the fun activities in the park and on the beach. The weather was a little cold for a summers day but that didn't stop the kids from hitting the water and there were lots of Seacliff helpers who volunteered to make this a great day for some special families.

Well done to Kaytie Hosking who liaised with the JDRF to organise the event and the many helpers who supported the day.

Family Camp

Family camp was at Normanville Jetty Caravan Park and it was a fun weekend away to finish up the season. It was great to get together with families from different age groups that we don't usually get to spend time with and enjoy each other's company. The kids had a great time with some games that were organised and even better fun swimming to the pontoon near the jetty and seeing just how many could pile on. What made their day was the pod of dolphins that came up really close just to say hello. Even though it was a bit chilly they still wanted to hit the water. Some of the parents did a great job of trying to embarrass the kids on Saturday night with their dancing to some questionable music! Everyone had a great time.

Junior & Management Committee

I need to say a huge thank you to the hard working and dedicated crew who nominated to join the junior committee- Sarah Warriner, Shauna Henty, Kelly Connor, Shannon Tohu, Peta Guy, Robyn Hecker, Janelle Scrivener and Suzie Cowan. It was a great and rewarding time to be Junior Chairperson that definitely came with its challenges, but you all provided great support toward me and the juniors as a whole and I thank you very much for that. You put forward great ideas and ways to improve what we were trying to achieve and I really hope you enjoyed your time doing so.

I would especially like to thank the following people:

Kelly Connor for all her amazing efforts in our junior's communications. She has done a wonderful job and no task was ever a problem for her. She has also set up Team App for our communications, something that the whole club will now be able to use with ease.

Shauna Henty and Sarah Warriner for the many times we have had what has been really helpful chats that have helped me in this role. You two have been a great support to me this season.

Shauna Henty for her general support in anything we were doing for our juniors and was also a great support to me if needed. She was the first person to either put her hand up to help or first person to be somewhere to do something and was the last person to leave after the tasks were done. Thanks heaps.

Sarah Warriner- Sarah is the real hero and the real 'head honcho' of our juniors. The junior secretary role is the one that has the most time and effort needed to achieve. Sarah has spent a huge amount of time and effort in this role and has been a huge asset to the junior committee. Nobody realises just how much time and effort Sarah has put in this season and I for one really appreciate everything she has done. There was many a time I had rung Sarah for information or to sort out issues and it was never a problem. Thanks Sarah for the chats and everything you have done for me and our juniors.

Thanks to the Management Committee for your support, especially Jacinta Day for her help as past Junior Chairperson when I asked how she went about things, she was only too happy to help and provide information when I asked.

Big thanks to Tanya Evans for all her support of the juniors with the many membership enquiries and information people needed. Manning the inquiries by the trailer on Saturdays and all the help you have given me throughout the season, her commitment to the club is second to none. Anytime I contacted her she was only too happy to help and it was never a problem.

Final Note and Thanks

Thanks to all the parents for bringing your kids to Seacliff SLSC and bringing your kids to the beach every week. We trust you enjoyed your time on the beach as much as your children did. I am sure you have all had time to think about the past season and reflect on what a great time your family had with us. We are always after feedback to improve and make your time and your kids better so any feedback you have is always welcome. We always want to make everyone in your family a part of Seacliff SLSC.

I have enjoyed my time on the junior committee, firstly by a bit of pushing and encouragement by Jacinta and Bly and then ultimately as Junior Chairperson firstly reluctantly and with a heap of encouragement from Bly. It has been something that has been hard at times but in the end rewarding. I would like to thank Bly Bayliss for his huge support and help throughout my time as a committee member and Junior Chairperson. Especially his support over one particularly difficult personal time throughout this season, something that I'm sure was an even more difficult time for him. Thanks mate.

I have really enjoyed this role despite being very short, getting to know a lot more kids and parents, especially the new friendships made and the fun times that came with it all. Getting to know more people within the club and the support they have given, and getting to know more people from other clubs and being able to learn off of each other. It is really one big family when you get involved so much.

To all the Seacliff juniors, thank you so much for a great time and being so awesome at everything you do. It has been great to go through the season with you all. To the age group I have been involved with for the last however many seasons and my fellow AGLs within this group it has been such a great time and experience with you all. It feels a bit sad to be out of juniors but at least we are not finished all together and I wish you all the best with your surf careers for the future.

Most importantly I need to thank Narelle, Jack and Abi for their support over the season.

Again, most importantly Narelle for all the times helping me and putting up with the chats of all things surf and not spending time talking general family stuff. All the time away for meetings and extra things at the club and the time you have personally put in for the club to help me this year. Your help and support has been greatly appreciated and it has been great to at least spend the time at the beach with you there as well. Thanks heaps!

I look forward to following Seacliff SLSC's juniors in the future and hearing all the stories of how it's all gone down. See you all next season.

Tim Salman
Junior Chairperson

Seacliff Nippers 2018/19

Under 6's AGL's: Meredith Wood, Margot Tisher

Ella Williams			

Junior Rescue & Resuscitation (“R & R”) - 2018/19 Season

R & R Training for Under 11's to Under 15's commenced in winter this season to promote R & R and attract more juniors to compete. R and R is a great team event that focuses on teamwork, discipline and lifesaving skills. There is a lot to remember in any given event and our competitors did themselves proud with their rapid development and consistent efforts. Not only did we attract more competitors but the extra weeks training over the winter months allowed time for our team to refine their skills in resuscitation so by the time the season commenced in October they already had a good understanding of the event.

Our coaching team of Darryl Pope, Glen Patten, Deb Lasscock and Hayley Hosking gave up a considerable amount of their own time to provide expert coaching to our juniors. Special thanks to Hayley and Deb for coming out in those cold winter months.

Our competitors trained hard but also took time out to enjoy their time together and a strong team bond developed. Their achievements were celebrated along the way and before long our teams did Seacliff proud.

The results speak for themselves with an outstanding achievement by all our Junior competitors in R & R State Titles in February.

Seacliff entered seven teams in the Under 11 to Under 15 age groups in State Titles. All teams were successful in earning points for the Club.

State Title Results were:

Under 15 2 Person:

2nd Place – Silver Medal
Tara Chapman, Ashlee Hosking
5th Place
Jack Bawden, Keenan Gray

Under 13 5 Person:

1st Place – Gold Medal
Natalie Hecker, Niamh Keogh, Mia Perkins, Abi Salman, Olivia Thompson and Tamara James (Reserve)

Under 13 2 Person:

2nd Place – Silver Medal
Natalie Hecker, Abi Salman

Under 11 2 Person:

1st Place – Gold Medal
Arabella Vaughan, Winsome Vaughan
2nd Place – Silver Medal
Rosie Davies, Lily Jessup
4th Place
Cara Saville, Sophie Scrivener

On a personal note I would like to say a huge thanks to the R & R families, our coaches and our juniors. I am so proud to be part of this team.

I can't wait to see our junior competitors continue their lifesaving journey and look forward to welcoming new juniors into the R & R team next season.

Robyn Hecker

Surf Race Report 2018/19

We were fortunate this season to have some pretty decent weather for all bar 1 of the 19 scheduled Surf Races – the Race on 1st December was reluctantly cancelled due to thunder & lightning (very, very frightening), but it did allow swimmers to hit the BBQ & bar early.

We had a plethora of swimmers this season, 106 members gave it a crack at least once during the summer. The Juniors took the gong for the most swimmers, 34 all up – then came the Over 50's with 23, and Open Women with 15.

Although I didn't head off on yet another vacation this season, I still had my tremendously capable stand-ins in the form of Nita & Greg Natt, who deputised when I needed a Saturday off. Be very afraid though Nita & Greg – now that I'm retired, the holiday brochures & maps are constantly spread out on the dining room table!

Cliff Joseph was once again his unwavering reliable self at the northern end of the weekly events, ensuring that every swimmer has their correct time.

So once again, many thanks to Nita, Greg & Cliff.

Trophy winners in most of the categories were decided in the last few swims, a couple ... such as Open Women, Juniors & Over 50, came down to 2 or 3 swimmers fighting it out on the very last event – similar those who have taken trophies home in the past, success is all about consistency, just turn up every week and give it your all.

The weekly Surf Race is unique where it is one of a few, if not the only, Club event where every active member can compete next to each other in a friendly, good natured manner.

Finally, thanks to each and every swimmer who took to the surf this season – your sportsperson like behaviour and encouraging nature towards your fellow swimmers, personally makes this weekly event a pleasure.

Ken Bell
Surf Race Coordinator

March Past Report 2018/2019

Come and join us! A great group of people with great potential for medals both at State and National level.

March Past this year saw the “semi-retirement” of longstanding coach Kevin Williams who had worked tirelessly for many years (sometimes with great frustration), to mould a good competitive March Past team. Glen Patten and I stepped up and shared the coaching duties and were ably assisted by Kevin, and Cliff Joseph.

Coaching March Past at Seacliff is a rewarding – and frustrating task. Our club has a grand reputation and a strong history in this great traditional event and we attempt to maintain the due respect for traditional Surf Life Saving events whilst enjoying all of the other events on offer. Trainings on Saturday afternoons prior to the surf race were attended by a variety of people with a good array of skills. If only they would all show up on the same Saturday! The array of marching skill within our club – from the

Juniors through to the most senior members is significant. Unfortunately, there are always competing priorities and we suffer from an aversion to serious training. Yet when required, we can pull it out – to a degree. At the World Champs, we had an Open team compete on minimal training and acquitted themselves well – yet I can’t help but think “what if”. Our Youth team – again on no training, won! Who knows what we could have achieved with 100% training for a period of weeks prior to that great event? Next was State Titles where the Open team managed to grab a Bronze Medal behind Southport and Glenelg., and the U23 team medalling strongly again.

Again, we proved our ability to put together a pretty good team at the Aussies – again with minimal (or no) training and march we did! Again, another pretty solid result, but another “what if” moment! Seacliff has the members and the coaches and the history to feature prominently in this great traditional event in 2020 titles. Come and join us and let’s give this a real crack!

Darryl Pope

Youth Report – Season 2018/19

This season the club appointed a Youth Coordinator to assist the juniors and their parents transitioning on their pathway through surf lifesaving with Seacliff SLSC. I volunteered to fill this role and have had a great season with the Seacliff Stormies. It was exciting to be a part of a really diverse and fun group of kids and I hope they are all proud of what they achieved with Seacliff SLSC this season.

In July 2018 a group of 14 youth went to Queensland for a week's training with BMD Northcliffe and really enjoyed the experiences they had. The group worked to raise money by running raffles at the club on Friday nights in Winter. Special mention to Ben Spencer for towing the trailer, Amanda Luetolf for helping out and Bly for arranging the experience & the coaching. The group who went formed strong bonds and it was an excellent opportunity for them to train where they would compete at Aussies.

In September a group of 13 young members started training for their SRC Award under the guidance of our experienced trainers. The group did the assessment on Open Day and several signed on for their first patrol that day. We welcomed several new members to the youth crew "Seacliff Stormies" this season, a few who joined us from other clubs and several new members who were completely new to surf lifesaving, even new to Australia. It is a challenging time for this group & we have been encouraging them to all find

their pathways and areas that they enjoy in surf lifesaving, however juggling school work, social time & for some a part-time job, can be difficult.

All of this group are now patrolling members and they are learning from some experienced Patrol Captains. It is great to see some new young members patrolling the beach. We are encouraging the group to continue training on the beach every Saturday so we can assist them to keep their skills & fitness up and stay in contact with their friends in lifesaving.

The competition season was a pretty challenging start for some, first carnival was at Middleton it was freezing and the swim course was massive. The kids from Seacliff took on the challenges and it didn't deter them. From then on the carnivals seemed easier and Seacliff had competitors in every carnival including the youth carnivals that were trialled by SLSSA.

It was great having Davo around to help & encourage the kids at the carnivals and Bly's coaching has seen all of the competitors achieve some really great personal results.

This season we had youth competing in every State Titles event including Pool Rescue, Board Riders, First Aid, R&R, State Titles both beach & water & Champion Lifesaver and every competitor has achieved great results.

The group of Seacliff Stormies who went to compete at Aussies achieve some great results in some challenging conditions. Some of our competitors made semi-finals, finals and even medalled.

A large group of the Stormies helped out with the Juvenile Diabetes Xmas Party and several members of the squad helped out with the Nature Play Day that was run at Seacliff in February. Thanks to the Stormies who provided water cover at junior carnivals & helped out with juniors on the beach.

I have really enjoyed training and spending time with the group, some in their first season of seniors and am looking forward to seeing how they all develop with Seacliff SLSC.

Well done to the Seacliff Stormies you guys are all awesome.

Jacinta Day

Youth Coordinator

This year has seen the Bar, Bistro and Functions go from strength to strength. Atmosphere in the club is at an all-time high with a good mix of club events, functions and solid hospitality.

Last year's revenue has set a benchmark for what is achievable and that record-breaking year will hopefully be a good foundation in order to grow further. With the implementations and changes that occurred, thanks to the consultancy that was sought at the end of last year, this year was all about consolidating. This has further allowed us to develop our club and continue to provide a great environment for our members and the general public.

With her first year at the helm Allison Martin has done a great job in ensuring the profitability of the club and seeing through the implementations that were brought in with Jeremy Goucher. Allison continues to be at the heart of the bistro and our club.

Nigel Searle and Tara Pollard have once again excelled in the kitchen to deliver delicious food at affordable prices. We thank them for their ongoing passion and commitment, our wonderful club would not be the same without them. Jasmin Martin has gone from strength to strength in both kitchen and café and become an integral part of the team. She has enjoyed herself so much that she has now begun studying commercial kitchen operations. Charlie Symonds and Jenna Austin have grown in confidence and strength in our café. The commitment from these young people at their age is very encouraging for our future.

In October last year we attended the clubs SA awards where we were finalists in categories for volunteer of the year, employee of the year, manager of the year and club of the year. We were awarded club of the year!

The continued growth of 'In The Seen' now attracts both members and the general public to a Sunday afternoon of music, suitable for varied tastes. This has created a good showcase to potential members as to what our club is about and has also driven Sunday revenue by over 30%. The first Sunday of every month has now given rise to Sunday Sessions which is launching on the 4th August and being hosted by a member of our club.

Our functions have been steady throughout the year contributing enormously to our weekly revenue and providing a venue for our local community to enjoy and make memories in.

We strive to connect the bistro to the community alongside all the amazing work the club does on the beach. Last year at Christmas we ran the 'shoe boxes of love' in our bistro. This involved getting donations from our members and patrons by collecting food items and small gifts for families in need through the Salvation Army at Marion.

We also continue to support local events and offer a pillar to the community. This year saw us provide the starting location to the Smartbar walk for a veteran with PTS. The annual Walk for a Veteran honours veterans, emergency services personnel, and their families, who have been affected by mental illness due to their service or family members' service of our country and their community. The walk also aims to raise funds and awareness for organisations that support veterans and emergency services mental well-being programs. Other notable community functions include the local Lions club and weekly support with the Seacliff park run.

Alex Wood
Business Liaison Officer

Chief Instructor's Report

With the season of 2018/2019 rolling to a close, Seacliff has had another fantastic year in the area of member's education and development. It has seen many new and existing members of the club take that extra step by wanting to give back to the club and the community.

It also was an amazing start to the year with Karen Wilmot being awarded Assessor of the Year for SA and myself being fortunate to pick up Trainer of the Year for SA

It's a tough gig to fill when your following on from the amazing job that Karen Wilmot has undertaken for the past seven years. I'd like to thank Karen for her support and mentoring to help me transition into the role of Chief Instructor.

It's not a solo effort by any means. The training team has grown and developed too. This year it was great to welcome to the team Kate Kolarovich, Sarah Harrington and Zac Cowan. This team is still set to grow with Graham (Mitch) Mitchell and Derek Bawden set to undertake their upcoming training officer course in the very near future.

Existing and new training officers also developed they own skills with Mark Warriner and Kate Kolarovich achieving their trainer award for IRB Crew and Sarah Harrington, Kate Kolarovich and Zac Cowan getting their Bronze Medallion Trainers awards.

I would like at this point to acknowledge all the trainers and helpers that have helped to the success in this season.

They are Karen Wilmot, Mark Warriner, Dave Shaw, Cassie Wilmot, Sheri Wilmot, Sarah Harrington, Kate Kolarovich, Zac Cowan, Matt Crichton, Derek Bawden, Graham Mitchell, Mark Roberts, Ben Lawrenson and Terry Keefe.

The commitment and enthusiasm of this team is immeasurable. Other clubs know of our set up and are extremely envious. As a State Assessor, I attend many assessments across Bronze, SRC, IRB and Advanced Resuscitation Techniques Squads. I know that we are setting the standard for others to follow, as acknowledged from SLSSA. External assessors have complimented every squad that has gone through this season on their knowledge, ability, attitude and professionalism. This only comes from the standard of delivery.

The Bronze Medallion Course undertook a big change this season with candidates required to sit a written closed book assessment, no easy task. The candidates need to study and demonstrate their theoretical and practical skills. Ask any of the candidates they will tell you it was a challenge but extremely rewarding.

The trainers listed above delivered 195 proficiencies and 94 awards. That is one of the most proactive clubs in training in the State. This is culture has developed over time and has been instilled into our club through its values.

The winter season does not mean time off for the trainers with Advanced Resuscitation Technique, Spinal and First Aid courses to be run before the start of next season.

This season will see some of our youth undertake their Certificate 3 in Public Safety qualification. A new initiative launched by Surf Lifesaving SA. With a number of candidates, this will further help develop their skills but also reward them with an external nationally recognised qualification.

A work colleague asked me why I did this, it's like having an unpaid second job? I laughed it off at the time but upon reflection I think back to all the candidates expressions on passing and trainers satisfaction when they see their squad go through. Seeing people achieve things they never thought they would be able to do motivates me.

It has been a very rewarding first year in my role and I would like to thank everyone that has supported in my role to make this a successful year in the training area.

Competition Coordinator's Report 2018/2019

With our AGM coming up in two weeks I sit here on this freezing day being warmed by the memories of yet another awesome season at Seacliff SLSC for 2018-2019.

The season started off with a bang! **Lifesaving World Championships** came to Adelaide in late November. It also came with nothing short of a 100 year weather event that saw us roasting in hot northerly hay fever conditions one day, 100km winds in the evening and bitterly cold rainy conditions after that. Chaos all around us we got through our events and then watched in awe as all the superstars from around the world competed at Glenelg.

Ski Relay Silver with Jo Goulder and Kate Chandler at LWC. I'm absolutely beside myself!!

Not just for Senior and Masters. Our Juniors took part in the Opening Ceremony. Seen here with Team USA

We had fantastic results in Masters and Youth pitching against the best of the best.

Youth Medallists

- Cloe Griffith Interclub Youth Beach Sprint Silver
- Angus Higgins / Joe McKinnon 2x1km Beach Run Relay Bronze
- Youth Marchpast Gold
- Gwen Humphreys / Cloe Griffith / Lori Chandler / Lily Maddern Interclub Youth Beach Sprint Relay

Silver

World Champions

Tough competition in the Open and Youth Ocean Events

Masters Individual Medallists:

- Justin Needham Surf Ski Race 35-39 Silver
- Bennett Maxwell Surf Ski Race 50-54 Gold
- Matt Collopy Oceanman 45-49 Silver, Surf Ski Race 45-49 Bronze, Board Race 45-49 Bronze
- Amanda Elson Board Race 40-44 Silver, Surf Ski Race 40-44 Silver, Surf Race 40-44 Bronze, Oceanwoman 40-44 Gold
- Andrea Brebner Oceanwoman 65-69 Silver, Surf Ski Race 65-69 Silver
- Kate Keeffe Beach Sprint 40-44 Bronze, Beach Flags 40-44 Gold
- Rebecca Short Surfski Race 35-39 Silver
- Heather Burns Beach Flags 40-44 Bronze
- Carrie Collopy Surf Ski Race 40-44 Bronze

Kate Keefe Gold in Flags

Surfboat Masters 240+ Years Gold

- Amanda Luetolf / Kate Keefe / Sarah Warriner Board Relay 130-149 Bronze
- Andrea Brebner / Suzette Gloster / Heather Burns / Meredith Wood / Ben Bedford Surfboat Masters 240+ Years Gold

January saw our **SA State team and SA State Junior Development Team** head over to Sydney for the SLSA Interstate Championships. Our Youth team won Bronze in the Beach relay with South Australia coming in third overall

With 2018-2019 Season under way Surf Life Saving Australia had implemented a new SEMS entry system and Surf Life Saving SA had implemented format changes to carnivals.

Beach and Water Carnivals were now held separately. Four Senior Beach carnivals were held separately on a Friday night and were all hosted by Seacliff.

There were two water carnivals at Middleton and one each at Seacliff and Christies. These carnivals contributed to 25% of our final Senior States Score. Masters were encouraged to compete in opens knowing they were earning points for the end of season Masters tally as well. All competitors had their fitness challenged by a three round competition based on ranking that allowed you to move either up or down depending on whether you came out in the top (or bottom) four.

Our points total for the end of the season was not only dependant on Senior Beach, Water and Masters State titles, but Board Riding State Championships, First Aid State Championships, R and R State Championships, Champion Patrol and Champion Lifesaver and Masters Surf Boat State Championships.

Seacliff came home at the end of the season with a fantastic third place in both the South Australian Senior State Championships and the Masters State Championships.

The summer season rounded off with the Aussies at Broadbeach and North Burleigh at the end of March. We had 50 Seacliff competitors represent us this year

It was then time to break out the wettie and start training for the IRB State Championships in June 2019 and to enjoy a break from the cold competing indoors at the Pool Rescue State Championships in July.

Our State and National Results

Board Riding State Championships 27 October

- Open Mens Short Board Gold Brendan Collopy Silver Matthew Collopy
- Under 14 Boys Short Board Bronze Oliver Higgins
- 40+ years Short Board Gold Matthew Collopy

Rescue and Resuscitation State Championships 16 February

- Open 6 person Rescue & Resuscitation - Gold E Bedford, T May, C Jones, B Bayliss, A Chandler, A Chapman
- Open Mens 5 person Rescue & Resuscitation - Gold C Jones, B Bayliss, E Bedford, A Chandler, A Chapman
- Open Womens 5 person Rescue & Resuscitation Gold - S Harrington, H Hosking, K Hosking, M Williams, C Wilmot
- Open Womens 5 person Rescue & Resuscitation Silver - K Klima, S Hicks, R Henty, S Henty, L Hamblin
- Open Mixed 5 person Rescue & Resuscitation Gold - H Hosking, C Wilmot, K Hosking, T May, A Chandler
- Under 15 2 person Rescue & Resuscitation - Silver T Chapman and A Hosking
- 40 years and over Male Champion Lifesaver Gold A Chapman
- Open Male Champion Lifesaver Silver A Chapman Bronze T May
- 40 years and over Female Champion Lifesaver Silver J Day Bronze S Warriner
- U14 Male Champion Lifesaver Gold K Gray Silver O Higgins

Freezing cold start to the season with Water Carnival #1 in Middleton in October

Masters State Championships 2 March

Masters took place at Port Elliot this year. After deciding whether to drive down each day or stay overnight we all headed down with for both individual and team events to be run in one day! A pretty challenging day for the superstars especially with forecasts in the low to mid 40s. The conditions were flat. Day 2 saw the running of the beach events

Individual Medallists

- Andrea Brebner 65-69 yrs Female Single Ski Gold
- Heather Burns 65-69 yrs Female 1Km Beach Run Silver, Surf Race Silver, Beach Flags Bronze, Beach Sprint Bronze, Board Race Bronze

Senior State Championships Beach and Ocean 8 – 16 March

Beach events were up first. Seacliff hosted the final carnival for the season and our beachies went home with a fair amount of bling. Day 1 of Senior Water events took place at Port Noarlunga in humid and flat conditions. There were heats and rescue events. Day 2 and 3 were at Moana in lovely conditions. Warm and wind free with a bit of a shore dump to finish off your race

Individual Medallists

- Timothy Blyzno U17 Male Beach Sprint Silver, U17 Male Beach Flags Bronze

Aussies 30 March – 7 April

Aussies tested every body's skill and patience delivering some massive swell during the Masters and Opens.

First time at Aussies for the Youth provided an exciting experience for all. I watched the events on Facebook back in Adelaide and wondered why the Beach commentator forgot to mention South Australia. He learnt a lesson there with Seacliff coming home with medals again on the beach. Chappy made us all super proud taking out the 40+ Mens Champion Lifesaver. Well done Chappy!

- Andy Chapman 40 yrs and Over Male Champion Lifesaver Gold
- Jo McKinnon U15 2Km Bronze
- Kay Klima 65-69 Female Beach sprint Bronze, 1km Beach Run Bronze, Beach Flags Silver
- Amanda Elson 40-44 Female Board Race Bronze
- U17 Male Beach Relay Silver Timothy Blyzno, Samuel Blyzno, Nathaniel Drummond, Dylan Quraishi Taylor
- 170yrs Female Beach Relay Bronze Kay Klima, Sarah Harrington, Sarah Warriner, Jacinta Day

IRB State Championships 30 June

Great results for our IRB "Family". I don't know how they do it at this time of the year but they all took on the winter conditions and I got some action photos!

- U23 Female IRB Teams Rescue Silver Koch / Kolarovich / Bawden / Wilmot / Wilmot / Hosking / Hosking
- U23 Female IRB Rescue Bronze Koch / Warriner / Wilmot
- Masters 30+ yrs Male IRB Teams Rescue Bronze Taylor / Tohu / Warriner / Williams / Bawden / Clarke

Pool Rescue State Championships 7 July

Last carnival of the Seacliff year. It's a nice warm getaway in the middle of Winter in Adelaide. Our swimming superstars came away with some great results

Individual Medallists

- U14 Male 50M Manikin Carry GOLD Keenan Gray BRONZE Harry Manolopoulos
- 60+ Yrs Female 50M Manikin Carry SILVER Susan Hicks
- 45-59 Yrs Female 50M Manikin Carry SILVER Jacinta Day
- 30-44 Yrs Female 50M Manikin Carry SILVER Shauna Henty

Thank you to everyone who has joined me in volunteering for our amazing club this year. I've nominated to return for the 2019/2020 season.

At the risk of leaving anyone out I'd like to give special thanks to the following people:

- ◆ Bly Bayliss – Board/Swimming/Iron Coach and Junior Coach
- ◆ Bec Short – Ski Coach
- ◆ Andrew Chandler – Beach Coach and Official
- ◆ Daryl Pope – Lifesaving Events Coach and Official
- ◆ Glen Patten – Lifesaving Events Coach and Official
- ◆ Deb Lasscock – Lifesaving Events
- ◆ Annette Cakebread - Photographer
- ◆ Ash Clarke – IRB/Boats
- ◆ Sarah Warriner - Official
- ◆ Ben Bedford – Boats Coach
- ◆ Tom Van der Jeugd - Official
- ◆ Kate Chandler – Masters Coach
- ◆ Leanne Whait - Official
- ◆ Carrie Collopy – Masters Coach
- ◆ Tanya Evans – Club Secretary and Team Manager
- ◆ Davo Davison – Coaching Coordinator
- ◆ Sue Hicks – Official
- ◆ Sue Bayliss-May – Official
- ◆ Laila Taylor – Official
- ◆ Jacinta Day – Official and Youth Coordinator

Patrol Report 2018/2019

Firstly, I'd like to give a huge thankyou to all our patrolling and JWC members this season. Seacliff is so lucky to have so many devoted volunteers who don the red and yellow each season, helping to keep our stretch of coastline safe. Again, this season our volunteers have been paramount in achieving our Surf Club's number 1 priority and goal of no lives being lost at Seacliff.

Combined this season our members have completed close to 5000 patrol hours on our beach, an enormous contribution to our surf club. These patrol hours go beyond rostered patrols and Junior Water Cover and include extra events such as Atlantis Long Swims, The Seacliff SPR, Christmas Day Patrol, Brighton Jetty Classic, Suneden Special School Program, Trail Blazer Challenge, World Titles, Senior Carnivals and Junior Carnivals. I'd like to give a huge thanks to everyone who went above and beyond throughout the season and helped at any of these events. These events help raise funds for the club and provide a great service to many people. The fact that Seacliff can assist in running and providing water cover for so many of these events is a huge credit to our members and a great aid to our surf club.

Thank you to our Patrol and Water Cover Captains: Tony Bullard, Andy Coleman, Dale Thomson, David Shaw, Matt Collopy, Mark Roberts, Jim Ridgeway, Mackinley Mitchell, Peter Taylor, Neil Anderson, Jeff Strachan and John Allen. We are so lucky to have so many great leaders and role models as captains at Seacliff that put in a lot of time to help coordinate their patrol or water cover.

I'd also like to give a big thanks to the members who joined me on this season's patrol subcommittee: Dale Thomson, Derek Bawden, Matt Crichton, Patrick Tohu, Tony Bullard, Zayn Butcher, Bly Bayliss, Graham Mitchell and Meredith Wood. Everyone on this committee lent a huge hand to myself and our surf clubs lifesaving activities as a whole this season, their help has been greatly appreciated.

Derek Bawden this season was the well-deserved recipient of the Most Efficient Patrol Person award. Throughout this season Derek has been one of the first persons to put their hand up to help with whatever it may be. Derek has contributed an astounding 200+ hours patrols and water cover to both our own club but also SLSSA as a part of the RWC team. Derek is one of the great role models we have on patrols, always prepared to help the team in whatever way he can and always having a smile on his face while in the red and yellow.

There are so many enthusiastic and dedicated members who patrol at Seacliff, but I would just like to give a special mention to a few of our top hour getters who have done over 50 hours this season: Derek Bawden, Matt Crichton, Meredith Wood, Jacinta Day and Heather Burns.

The second half of this season saw us patrolling concurrently with our new tower project. This was a challenge as it meant there were many patrols spent without a tower as we saw the old tower knocked down. As always at Seacliff we took the challenge in our stride and patrols continued to run as seamless as possible considering the obvious difficulties. It's awesome to see that the new tower project is coming close to being finalised and even better to say that from next season we will be welcomed with a brand new and improved patrol tower. It's been a long time coming but to have the new tower up and ready for the 2019 season is going to be awesome for our patrols and only boost the already strong service we provide. Along with the tower. we will also have a new patrol trailer up and ready by the start of next season which will be another great asset to utilise on patrol.

Something else I am also looking forward to see in the coming months is a patrol honour board. This is something myself and the patrol subcommittee is currently looking to install upstairs at the club to once again recognise the time that so many great members have given our Surf Club on patrol over the years.

Thanks again to the valued volunteers who have performed their patrols with the best interests of the surf club at heart and truly represent the genuine spirit of our great club. It's been a privilege and a pleasure to serve as Vice Captain for the past 3 seasons at Seacliff. I'm looking forward to seeing everyone on the beach next season.

Cheers
Tom May

Treasurers Report – 2018/2019

Year End 30th April 2018

The Club's audited operating result, as summarised in the table below.

	2018/19	2017/18	2016/17	2015/16	2014/15
Total Comprehensive Income	\$46,518	-\$20,479	\$10,466	-\$52,278	-\$93,438

Comprehensive Income increased by \$67k from 2017/18 predominately due to:

- Increase in Total Income \$139k to \$1.2M, an increase of 13%:
 - Decrease Grants, Sponsorships and Fundraising by \$78k, with a very significant Fund My Neighbourhood grant occurring in previous FY, and the grant funds for the new Patrol Tower not able to be claimed until completion of the major completion milestones
 - Decrease Membership Fees by \$16k, membership down on previous year, no change in membership fee structure
 - Increase Trading Revenue by \$208k with increased bar and bistro turnover
 - Increased competition fees by \$25k largely due to improved collection and invoicing
- Increase in Total Expenses by \$71k to \$1.15M, an increase of 6.6%
 - Increased cost of goods sold in line with large increase in bar and bistro turnover
 - Reduced employee benefits expenses despite increased turnover, with large one-off items in previous years and increased management attention on matching labour hours to trade volume to ensure profitability of the Bistro
 - Increase in premises expenses including commencement of building works on new Patrol Tower project
 - Reduced finance costs with club debt extinguished early in the FY thanks to the diligence of previous management committees

Significant balance sheet items not reflected in the P&L:

- Cash at bank and on hand at 30 April 2019 was \$261k compared to \$178k last year
- Borrowings reduced from \$20k to zero balance in August 2018
- Revenue from bistro operations increased by 29% from \$748k to \$964k

Continued vigilance is required to ensure Seacliff Surf Life Saving Club Inc remains a going concern for the provision of services to our members, the community and the general public. Recommended focus areas for the finance committee:

- Further balance sheet repair, building on the good work of previous management committees
- Increased attention to grants and sponsorship income
- Continued vigilance and management attention on bistro revenue and costs

John Godwin

Financial Report

Seacliff Surf Life Saving Club Incorporated

Year Ended 30 April 2019

SEACLIFF SURF LIFE SAVING CLUB INCORPORATED

COMMITTEE REPORT

Your committee members submit the financial report of the Seacliff Surf Life Saving Club Incorporated for the financial year ended 30 April 2019.

Committee Members

The names of committee members throughout the year and at the date of this report are:

Glen Patten (President from 29 July 2018)	Briani Bayliss
Andrew Chandler (President to 29 July 2018)	Vicki Gregory
John Godwin	Jacinta Day
Terry Crabb (Appointed 29 July 2018)	Tom May
Karen Wilmot	Lily Drummond (Appointed 29 July 2018)
Gareth Gray	Alex Wood (Appointed 29 July 2018)
Kristie Meier	Ash Clarke (Appointed 29 July 2018)
Brendan Collopy	Tim Salman (Appointed 29 July 2018)
Tanya Evans	Amanda Luetolf (Appointed 29 July 2018)

Principal Activities

The principal activities of the Association during the financial year were:

- Provision of life saving services to the community.
- Provision of life saving based coaching and training to all club members.
- Operation of bistro and function facilities to both members and the general public.

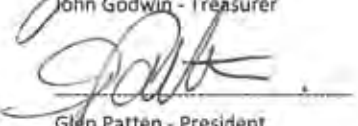

Operating Result

The surplus from ordinary activities amounted to \$46,518 (2018 deficit \$20,479).

Auditors Independence Declaration

A copy of the Auditors Independence Declaration as required under s.60-60 of the *Australian Charities and Not-for-profits Commission Act 2012* is include on page 2 of this report and forms part of the Board of Managements Report.

Signed in accordance with a resolution of the members of the committee.

John Godwin - Treasurer
Glen Patten - President

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Reporting Framework

The Committee have prepared the financial statements on the basis that the association is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1985*. The association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the *Australian Charities and Not-for-profits Commission Act 2012*, the *Associations Incorporation Act 1985*, and the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with those of previous periods unless stated otherwise.

Statement of Compliance

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the *Australian Charities and Not-for-profits Commission Act 2012*, the *Associations Incorporation Act 1985*, the basis of accounting specified by all Australian Accounting Standards and Interpretations, and the disclosure requirements of Accounting Standards AASB 101: *Presentation of Financial Statements*, AASB 107: *Cash Flow Statements*, AASB 108: *Accounting Policies, Changes in Accounting Estimates and Errors*, AASB 1031: *Materiality* and AASB 1054: *Australian Additional Disclosures*.

Basis of Preparation

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs unless otherwise stated in the notes. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting Policies

(a) Income Tax

No provision for income tax has been raised as the association is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(b) Financial Instruments

Recognition and Initial Measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the club commits itself to either purchase or sell the asset (ie trade date accounting is adopted).

Financial Instruments are initially measured at fair value plus transaction costs except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately

Loans and Receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

Financial liabilities

Non-derivative financial liabilities other than financial guarantees are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial liability is derecognised.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

Impairment of Assets

At each reporting date, the Committee reviews the carrying values of the Association's assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

(c) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, othershort-term highly liquid investments.

(d) Revenue

Non-reciprocal grant revenue is recognised in the profit or loss when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before the entity is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor; otherwise the grant is recognised as income on receipt.

Donations and bequests are recognised as revenue when received. Where conditions are attached to the donation which must be satisfied before the entity is eligible to receive the donation, the recognition of the donation as revenue will be deferred until these conditions are satisfied.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent to the instrument.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

(f) Inventories

Inventories are measured at the lower of cost and current replacement cost.

Inventories acquired at no cost, or for nominal consideration, are valued at the current replacement cost as at the date of acquisition.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT)**(g) Property, plant and equipment**

Plant and equipment are measured on the cost basis less depreciation and any impairment losses.

The carrying amount of plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

In the event the carrying amount of plant and equipment is greater than the recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(B) for details of impairment).

Plant and equipment that have been contributed at no cost, or for nominal cost, are recognised at the fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Useful Life
Leasehold improvements	22 years
Furniture & equipment	3 to 6 years
Motor vehicles	4 years
Powercraft	4 years
Life saving equipment	4 years
Competition equipment	4 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

(h) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(i) Employee Provisions

Short-term employee benefits

Provision is made for the association's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The association's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as part of accounts payable and other payables in the statement of financial position.

Contributions are made by the association to an employee superannuation fund and are charged as expenses when incurred.

(j) Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(k) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from donors and any outstanding grant receipts. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(l) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Where the association retrospectively applies an accounting policy, makes a retrospective restatement or reclassifies items in its financial statements, a third statement of financial position as at the beginning of the preceeding period in addition to the minimum comparative financial statements must be presented.

(m) Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period which remain unpaid.

The balance is recognised as a current liability with the amount normally paid within 30 days of recognition of the liability.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(n) Critical Accounting Estimates and Judgements

The committee evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the association.

The principal place of business of the association is:
Seacliff Surf Life Saving Club
PO Box 29
BRIGHTON SA 5048

SEACLIFF SURF LIFE SAVING CLUB INCORPORATED

BOARD OF MANAGEMENT STATEMENT

In the opinion of the Board of Management the financial report as set out in pages 3 to 16:

- 1) Is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1985*, and;
 - a) complies with Australian Accounting Standards applicable to the Club; and
 - b) gives a true and fair view of the financial position of the Seaclyff Surf Life Saving Club Incorporated as at 30 April 2019 and of its performance for the year ended on that date.
- 2) At the date of this statement, there are reasonable grounds to believe that the Seaclyff Surf Life Saving Club Incorporated is able to pay its debts as and when they fall due.

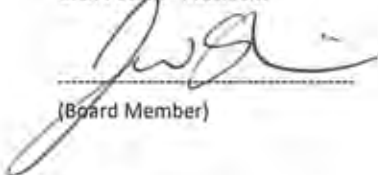

In accordance with section 35(5) of the *Associations Incorporation Act, 1985*, the Board of the Seaclyff Surf Life Saving Club Incorporated hereby states that during the financial year ended 30 April 2019:

- (a) No officer of Seaclyff Surf Life Saving Club Incorporated and no firm of which an officer is a member, and no body corporate in which an officer has a substantial interest; has or become to receive a benefit as a result of a contract between officer, firm or body corporate and Seaclyff Surf Life Saving Club Incorporated.
- (b) No officer of Seaclyff Surf Life Saving Club Incorporated has received directly or indirectly from Seaclyff Surf Life Saving Club Incorporated any payment or benefit of a pecuniary value other than those who are employees and remunerated under normal commercial terms.

Signed declaration in accordance with the resolution of the Board and subsection 60.15(2) of the *Australian Charities and Not-for-profits Commission Act 2012*.

**INDEPENDENT AUDITOR'S REPORT TO THE
MEMBERS OF SEACLIFF SURF LIFE SAVING CLUB INCORPORATED**

Qualified Opinion

We have audited the financial report, being a special purpose financial report, of the Seacliff Surf Life Saving Club ('the Club'), which comprises the Statement of Financial Position as at 30 April 2019, the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies and the Board of Management Statement.

In our opinion, except for the effects of the matter described in the Basis of Qualified Opinion section of our audit report, the accompanying financial report of the Seacliff Surf Life Saving Club Incorporated, is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*; including:

- (i) giving a true and fair view of the Club's financial position as at 30 April 2019 and of its financial performance for the year then ended; and
- (ii) complying with the accounting policies described in Note 1 to the financial report and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for qualified opinion

Trading revenue, which includes bar and food sales, fundraising, sponsorship and donation revenue is a significant source of revenue for Seacliff Surf Life Saving Club Incorporated. It is deemed impractical to establish control over the collection of trading revenue prior to its entry into the financial records. Accordingly, as the evidence available to us regarding revenue from this source was limited, our audit procedures with respect to trading revenue were restricted to amounts recorded in the financial records. We are therefore unable to express an opinion on whether the recorded trading revenue is complete.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Club in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**INDEPENDENT AUDITOR'S REPORT TO THE
MEMBERS OF SEACLIFF SURF LIFE SAVING CLUB INCORPORATED (CONT)**

Other information

The Board of Management are responsible for the other information. The other information comprises the information in the Committee Report for the year ended 30 April 2019, but does not include the financial report and the auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the other information we are required to report that fact. We have nothing to report in this regard.

Board of Management's responsibility for the financial report

The Board of Management are responsible for the preparation of the financial report that gives a true and fair view in accordance with the accounting policies described in Note 1 to the financial report and the *Australian Charities and Not-for-profits Commission Act 2012* and is appropriate to meet the needs of the members. They are also responsible for such internal control as they determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Board of Management are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Management either intend to liquidate the Club or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibility for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

**INDEPENDENT AUDITOR'S REPORT TO THE
MEMBERS OF SEACLIFF SURF LIFE SAVING CLUB INCORPORATED (CONT)**

Auditor's responsibility for the audit of the financial report (cont)

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by those charged with governance.
- Conclude on the appropriateness of the Board of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

AUDITOR'S INDEPENDENCE DECLARATION UNDER SUBDIVISION 60-40 OF THE AUSTRALIAN CHARITIES AND NOT-FOR-PROFITS COMMISSION ACT 2012 TO THE MEMBERS OF SEACLIFF SURF LIFE SAVING CLUB INCORPORATED

I declare that, to the best of my knowledge and belief, during the year ended 30 April 2019 there have been no contraventions of the auditor independence requirements as set out in any applicable code of professional conduct in relation to the audit.
