

## How to become a member of Seacliff SLSC online 2024\_2025

**All registered members need to have a current working with children check.**

To become a member of Seacliff SLSC you need to join and make your payment. Once you have done this, the Secretary will approve the membership. If you have any questions about this process or you need help, please contact our Secretary at [secretary@seacliffslsc.com.au](mailto:secretary@seacliffslsc.com.au).

**Membership fees include one free parent for members under the age of 18 (one per family). The free parent needs to follow this process as well so that they are registered in our system and can receive communications.**

### **Sports Vouchers**
