Application submission (1 per role)

Reason for applying:

I really enjoyed the role of Competition Coordinator in the 25/26 season and I believe I still have plenty more fresh ideas, knowledge and time to give.

Suitability to the role:

I did a good job in the role of Competition Coordinator last season. I manage my time and communicate well, get entries in on time and have extensive knowledge of the Surf Sports space.

As a competitor, I will be present at most carnivals, helping to team manage and coach which I think is great for this role as you get to know the coaches, athletes, parents, officials and the way SLS operates.

Vision / details of how you will contribute to future direction:

My vision is to expand our competition area so we have greater representation in all disciplines. A big focus for 26/27 will be to gain competitive numbers in all age groups with the greater goal being to set the Club up to take out all championships for our 100th year. This starts with increased memberships, upskilling new and existing members, recruiting officials and making sure our competition is supported in all areas.

I aim to gain more coaches and provide the support our coaches need to successfully train our athletes. This includes securing funding to upskill, travel and potentially pay our coaches in some form.

I believe I have much to give and many more ideas and skills to help Seacliff become more successful and be a place people want to be in the future.
