I'm passionate about our Club and miss being able to contribute. I would aim to foster an inclusive "whole of Club" environment while supporting initiatives to grow membership and create more opportunities for people to volunteer. I would place greater emphasis on reviewing, updating and promoting our policies and processes to ensure they are clear, accessible and well understood. I would also maintain a visible presence on the beach during Junior Training, providing members with an opportunity to ask questions and share feedback. Succession planning would be a key focus to help build capability and ensure the Club remains strong into the future.
