Application submission (1 per role)

Reason for applying: Having kids across both Youth and Juniors i would like to support them and their friends to ensure they have a positive experience and continue to be involved in the surf life saving community. Also having a child that has gone through Youth and Juniors i am aware of the challenges but also the opportunities that are available to them. The existing Junior Chair and Youth Coordinator have been doing a great job in their role and i plan to provide additional support to them as they continue in their roles.
Suitability to the role: Having been at the club for 8+ years i have volunteered via; Officialing, Junior Water Cover, Age Group Leader, Junior Secretary, AGL Coordinator. I have also supported the current Junior Chair the past year in a non-official capacity. Having kids across both youth and juniors i have invested interest to ensure both groups have a positive experience. I am a qualified Project Manager and have great time management skills and stakeholder communication. Having worked for both large and small scale organisations and am aware of the challenges businesses face and importance of corporate governance.
Vision / details of how you will contribute to future direction: - Ensuring the Nippers Program is run in a consistent manner aligned to the Surf SA objectives (I want to align to Age Group Manager terminology :)) - Mentoring AGMs to ensure future AGMs are sufficiently skilled to continue to support the future of the Nippers Program. - Integrating the Clubs Coaching team into the Nipper Program which will support continuity through Youth and Seniors as well as increase specific discipline coaching in the Nipper Program. - Provide a clear pathway for our youth to integrate in to the broader club including facilitate introductory sessions with key club environments; i.e. Patrols, Boats, IRBs, Competitions, Social Committee, Fundraising ect. - Investigate improving Youth and Junior communications through utilising additional TeamApp functionality including the "Teams". - Investigate how we can make Nipper Volunteering easier through; increasing volunteering numbers, improving Saturday Logistics, increasing awareness of importance and benefits of volunteering.
